

New name effective in 2024

3 easy steps to personalized care

1. Choose a health plan that includes Carelon Health doctors or nurses.

Find a health plan with us that suits you, or see if your existing plan includes Carelon Health at lp.carelonhealth.com/FindYourPlan.

2. Select a Carelon Health primary care doctor or nurse.

As our patient, you'll have access to quality doctors, nurses, specialists, and hospitals you know and trust.

3. Make an appointment for a Healthy Start™TM **checkup.**

This complete, head-to-toe checkup is where we begin to work together and create a personalized plan that fits your health needs and goals. Get started by calling **888-291-1387**.
